"A state of character concerned with choices, lying in a mean." Aristotle is saying that virtue is a rhetorical image that a speaker projects to the audience (state of character), revolving around convincing the audience to do or choose something (concerned with choice), and it usually involves convincing people to choose a moderate option (lying in the mean).

Thank You for Arguing Study Guide Flashcards | Quizlet

Thank You for Arguing is written in an irregular fashion, and in many ways, it could be considered a self-help book—like most self-help books, it's designed to help readers improve their minds and live happier lives, and it's written in the first person, with frequent references to the author's life, as well as the lives of great figures of the past.
