Computer chip industry veteran Bartleson provides ideas for creating better standards, increasing respect for the standardization process, and ways for leveraging others' industry expertise to create more effective technical standards.

Don Keough,a former top executive at Coca-Cola and now chairman of the elite investment banking firm Allen & Company,has witnessed plenty of failures in his sixty-year career (including New Coke). He has also been friends with some of the most successful people in business history, including Warren Buffett, Bill Gates, Jack Welch, Rupert Murdoch, and Peter Drucker. Now this elder statesman reveals how great enterprises get into trouble. Even the smartest executives can fall into the trap of believing in their own infallibility. When that happens, more bad decisions are sure to follow. This light-hearted (how-not-to) book includes anecdotes from Keough's long career as well as other infamous failures. His commandments for failure include: Quit Taking Risks; Be Inflexible; Assume Infallibility; Put All Your Faith in Experts; Send Mixed Messages; and Be Afraid of the Future. As he writes, "[A]fter a lifetime in business I've never been able to develop a step-by-step formula that will guarantee success. What I could do, however, was talk about how to lose. I guarantee that anyone who follows my formula will be a highly successful loser.]"

How to step up, step out, and break through at work Discover how to make the most of your career opportunities and perform your job with passion and excellence. Tapping into more than a decade of experience talking to, listening to, and helping women navigate their careers, Dondi Scumaci teaches you—step-by-step—how to: · Gain the confidence you need to fully engage at work · Communicate actively, but without aggression · Negotiate instead of just accepting · Update, upgrade, and develop yourself · Think strategically and market your results in quantifiable ways · Never settle for less than you were designed for

DeVon Franklin, New York Times bestselling author of The Wait and prominent Hollywood producer, reveals that secular and spiritual success are not opposites. To have one, you need the other. You can be wildly successful without losing your faith. In fact, your secular success will strengthen your faith if you allow it. Too often we believe that success in secular environments contradicts the core principles of faith, but the opposite is true: Your faith was designed to thrive in the secular world and to transform it as a result. You may never experience the true fulfillment you were created for until you pursue the secular ambitions in your heart. New York Times bestselling author DeVon Franklin knows this to be true. In The Hollywood Commandments, the prominent Hollywood producer and spiritual success coach reveals 10 life-changing lessons picked-up from his over-twenty-year career in the entertainment business. You won't learn these lessons in the church yet they will help you achieve an amazing life and thriving career that glorifies God. The Hollywood Commandments will help you: Identify how to use what makes you unique to propel your career. Overcome fear and build the courage to pursue new opportunities waiting for you. Gain the confidence to make important life decisions with greater peace and clarity. Negotiate the life and career advancement you deserve. No, you don't have to work in Hollywood for this book to work for you, these "commandments" apply to every walk of life! If you are stuck, looking for the secrets to advance your career, or have a feeling there's more to life, this book is for you.
