"Herold: Internal Medicine" is a lecture oriented representation taking account of the topic catalogue for
the medical examination for physicians. It is one of the leading textbooks of internal medicine in
Germany, if not the leading one. Its enormous popularity is based on the facts that it represents the
topics of internal medicine in an accurate and systematic form and that it has been updated every year
since 1982. For further information please refer www.herold-internal-medicine.com and read the
disclaimer.
