Engaging Ideas: The Professor's Guide to Integrating ...

In this thoroughly revised and updated edition, John Bean offers a practical guide for designing writing and critical thinking activities and incorporating them into courses across all disciplines in ways that stimulate inquiry, exploration, discussion, and debate.

Engaging Ideas: The Professor's Guide to Integrating ...

John Bean has been a college English professor for 40 plus years, and he draws from a wide range of research on teaching, motivation, and cognitive learning strategies to ground his book. What results is an eminently practical, comprehensive discussion of ways to integrate writing (and by extension, active learning) into one's course.
