Hindu Dharma-A Teaching Guide - Kamlesh Kapur - Google Books

Hinduism includes a range of viewpoints about the origin of life, and evolution. There is no single story of creation, due to dynamic diversity of Hinduism, and these are derived from various sources like Vedas, some from the Brahmanas, some from Puranas; some are philosophical, based on concepts, and others are narratives. The Rigveda mentions the Hiranyagarbha as the source of the creation of the Universe, similar to the world egg motif found in the creation myths of many other civilizations.
