FOR HERO 3+ and HERO 3 CAMERAS. This is the perfect guide book for Adventure Sports enthusiasts who want to learn how to use their GoPro HERO 3+ or HERO 3 cameras to get great videos and photos. Snowboarders, bikers, hikers, kayakers, travelers, skiers, standup paddlers, boaters and more will find valuable knowledge with the lessons in this book. With more than 100+ images, this book provides clear, step-by-step lessons to get you out there using your GoPro camera to document your adventures. This book covers everything you need to know about using your GoPro HERO 3+ or HERO 3 camera. The book teaches you: how choose your settings, tips for all of the GoPro mounts, vital photography knowledge, simple photo, video and time lapse editing techniques and how to share your first edited video and photos. Through the SIX STEPS laid out in this book, you will understand your camera and learn how to use FREE software (you probably already have!) to finally do something with your results. This book is perfect for beginners, but also provides in depth knowledge that will be useful for intermediate camera users. Written for all editions of HERO 3+ (Black and Silver Editions) and HERO 3 (Black, Silver and White Editions) cameras.

Shoot, edit, and share action-packed video with a GoPro The world moves fast so if you want to capture it in real time, only a fast-moving camera will do. Enter the GoPro! This small but powerful camera is easy to hold, wear, or mount to capture video of all your high-speed adventures. Unfortunately, to the uninitiated, it can be a bit intimidating but fear not! With the help of this revised edition of GoPro Cameras For Dummies, you'll acquire the skills needed to shoot high-quality video or photos, edit raw footage into a final masterpiece, and share your GoPro works of art with the world. Compared with traditional digital video devices, the GoPro is a superhero. Okay, so it can't scale high rises, but it can go virtually anywhere and produce thrilling new perspectives of an epic slalom down the slopes or awesomely scenic hike and everything in between. When still photos simply won't do the trick, GoPro Cameras For Dummies shows you step by step how to use your GoPro camera to make movies, work with available light, create time-lapse sequences, and so much more. Meet the full line of GoPro cameras, including the HERO5, and find the one that's right for you Get help setting your GoPro to shoot better video Discover what you need (or don't need) to shoot in the water Find step-by-step guidance for capturing better sound Edit your work like a GoPro guru Packed with full-color photos and updated to cover the latest GoPro cameras and software, this fun and accessible guide is a gadget lover's dream.

You only get one chance to take the perfect action shot The GoPro camera has taken the market by storm. Durable and weatherproof, these cameras are tailor-made for athletes, filmmakers, journalists, and hobbyists who want a hands-free device. Whether you're BASE-jumping, mountain biking, surfing, or just shooting the next big indie masterpiece, GoPro Cameras For Dummies has you covered with information on how to get the best photos and videos from your camera. Jumpstart your GoPro experience, with helpful advice on how to create and share action-packed photos and videos. Plus you'll get professional insight on how to mount, set, and control your camera for best results no matter the shooting conditions, and how to edit, add music, and share your finished piece. Step-by-step instructions walk you through each process, helping you get acquainted with the GoPro's controls and settings until you're consistently getting great footage. This helpful guide is packed with full-color, full-page examples of GoPro photos from top users, to inspire you to get the most from your new camera. Choose the right camera and add the right accessories Master the settings for any environment Establish framing, work with lighting, and capture sound Edit your images, and put them together as a project Rather than risk bad results with the school of trial by error, master your camera with the help of a professional photographer and videographer. The best action shots can't be re-created, so know what you're doing going in so you can nail that shot the first time. If you're ready to get out there and start shooting, grab your gear and grab GoPro Cameras For Dummies, your personal GoPro coach.
