diagrams.

Offers step-by-step instructions for drawing a variety of insects, including a caterpillar, cicada, praying mantis, scorpion, and carpenter ant.

In *Insects*, early readers learn about the defining characteristics of this animal group. Vibrant, full-color photos and carefully leveled text will engage early readers as they discover what features set these animals apart. A labeled diagram helps readers identify body parts of an insect, while a picture glossary reinforces new vocabulary. Children can learn more about insects online using our safe search engine that provides relevant, age-appropriate
