Do you know the
difference between
subsidence and
settlement?

Too many people
trust insurance
settlement offers and
accept them without
realizing the facts:
Initial offers are
generally grossly low
compared to the

Where To Download

actual value of a claim. By accepting an offer, you give up your rights to any additional compensation stemming from that accident, even if you still need additional treatment.

Insurance Settlement
Secrets A Step

Once the insurer has
arrived at a
settlement figure, he
or she must decide
what to offer. The
first offer is going to
be a percentage of
what the insurer
thinks is the final
value of the case. For

Where To Download

example, the insurer may require that the first offer be 40% of the value of the case. There is no industry-wide standard on this.
