'Truly addictive' Malcolm Gladwell * 'Brilliant' Susan Cain *
'Essential' Charles Duhigg How many times have you checked your phone today? Why are messaging apps, email and social media so hard to resist? How come we always end up watching another episode? In recent years, media and technology have perfected the lucrative art of gaining and holding our attention. This extraordinary feat has changed the behaviour of billions of people, and especially the young: by current medical standards, we are experiencing an unprecedented, global pandemic of addiction. But what exactly is an addiction? And what, if anything, might we do about it? From cliff-hangers to earworms, from religion to pornography, and from the awesome allure of the 'Kim Kardashian: Hollywood' app to the unexpected benefits of the 'butt-brush effect', Irresistible blends fascinating stories with ingenious science to explain how and why

Watching we all got hooked. Revealing the surprising causes and sometimes bizarre nature of addiction, this book will equip you with the tools and understanding you need to navigate our irresistible new world.

A New York Times bestseller! A revelatory look at how our environment unconsciously yet dramatically shapes the judgments and decisions we make every day Most of us go through life believing that we are in control of the choices we make—that we think and behave almost independently from the world around us. But as Drunk Tank Pink illustrates, the truth is our environment shapes our thoughts and actions in myriad ways without our permission or even our knowledge. Armed with surprising data and endlessly fascinating examples, Adam Alter addresses the subtle but substantial ways in which outside forces influence us—such as

Watching
color's influence on mood, our bias in favor of names with which we identify, and how sunny days can induce optimism as well as aggression. Drunk Tank Pink proves that the truth behind our feelings and actions goes much deeper than the choices we take for granted every day.

A fascinating journey into the hidden psychological influences that derail our decision-making, *Sway* will change the way you think about the way you think. Why is it so difficult to sell a plummeting stock or end a doomed relationship? Why do we listen to advice just because it came from someone "important"? Why are we more likely to fall in love when there's danger involved? In *Sway*, renowned organizational thinker Ori Brafman and his brother, psychologist Rom Brafman, answer all these questions and more.

Access Free Irresistible Why We Can T Stop Checking Scrolling Clicking And

Watching Drawing on cutting-edge research from the fields of social psychology, behavioral economics, and organizational behavior, Sway reveals dynamic forces that influence every aspect of our personal and business lives, including loss aversion (our tendency to go to great lengths to avoid perceived losses), the diagnosis bias (our inability to reevaluate our initial diagnosis of a person or situation), and the “chameleon effect” (our tendency to take on characteristics that have been arbitrarily assigned to us). Sway introduces us to the Harvard Business School professor who got his students to pay \$204 for a \$20 bill, the head of airline safety whose disregard for his years of training led to the transformation of an entire industry, and the football coach who turned conventional strategy on its head to lead his team to victory. We also learn the curse of the NBA draft, discover why interviews are a terrible way

Access Free Irresistible Why We Can T Stop Checking Scrolling Clicking And

Watching to gauge future job performance, and go inside a session with the Supreme Court to see how the world's most powerful justices avoid the dangers of group dynamics. Every once in a while, a book comes along that not only challenges our views of the world but changes the way we think. In *Sway*, Ori and Rom Brafman not only uncover rational explanations for a wide variety of irrational behaviors but also point readers toward ways to avoid succumbing to their pull.

A book for anyone who cares deeply about the future of the church. Once upon a time there was a version of our faith that was practically . . . irresistible. But that was then. Today we preach, teach, write, and communicate as if nothing has changed. As if “The Bible says it,” still settles it. It’s time to hit pause on much of

Access Free Irresistible Why We Can T Stop Checking Scrolling Clicking And

Watching what we're doing and consider the faith modeled by our first-century brothers and sisters who had no official Bible, no status, and humanly speaking, little chance of survival. What did they know that we don't? What made their faith so compelling, so defensible, so irresistible? Buckle up . . . you're about to find out. More importantly, Andy will invite you to embrace the version of faith that, against all odds, initiated a chain of events resulting in the most significant and extensive cultural transformation the world has ever seen. A version we must embrace if we are to be salt and light in an increasingly savorless and dark world. "More than any other book I've read in years, Irresistible has stretched my view of Scripture. I can't hear or read a passage from the Old or New Testaments without thinking about Andy's provocative insights. If you and I take this book seriously, our lives and our churches will

Access Free Irresistible Why We Can T Stop Checking Scrolling Clicking And

Watching never be the same.”—Kara Powell, PhD, executive director of the Fuller Youth Institute and coauthor of *Growing Young* “Irresistible is like a once-in-a-generation shot across the bow. Andy Stanley takes a lifetime of accumulated insight and wisdom about the Christian faith, history, and why the church isn’t connecting with our current culture, and combines them together in a masterpiece work.” —Carey Nieuwhof, author and founding pastor, Connexus Church “Warning: This book will set you and your ministry back—back to the first century and the approach to advancing the gospel modeled by Jesus and the apostles. Andy reminds us that the resurrection was at the center of the first-century apologetic. Then he challenges twenty-first century believers to reclaim it as the center of ours as well. I agree with Andy—this approach changed the world once. I’m convinced it could do so again. Read and apply

now!”—Frank Turek, Christian author, public speaker, and radio host “This book challenged me to rethink my thoughts about the Old Testament, discuss with fellow believers what I was learning, do more connecting and less correcting of others, and be salt and light, making things better and brighter. I love how Andy loves people . . . ALL of them.”—John Maxwell, author of The 360 Degree Leader “It’s time for the church to rethink how it presents a timeless gospel to this generation. In Irresistible, Andy Stanley challenges us to make sure we handle the Scriptures with the kind of integrity that compels everyone to seriously consider following Jesus. Any Christian who reads this book will suddenly find themselves embracing the mission of Jesus with a new passion.”—Reggie Joiner, author; founder and CEO of Orange “Andy Stanley takes you on a historic journey to rediscover the first-

generation passion of what it means to faithfully follow Christ. This book will knock you off center, push you out of complacency, and reawaken an unshakable faith that cannot be ignored.”—Craig Groeschel, pastor of Life.Church and author of Hope in the Dark—Believing God Is Good When Life Is Not

Winner of the Zócalo Book Prize Shortlisted for the Arthur Ross Book Award Longlisted for the Andrew Carnegie Medal for Excellence A New York Times Book Review Editors' Choice A "powerful and cogent" (Bethanne Patrick, Washington Post) account of the twentieth-century battle for immigration reform that set the stage for today's roiling debates. The idea of the United States as a nation of immigrants is at the core of the American narrative. But in 1924, Congress instituted a system of ethnic quotas

Access Free Irresistible Why We Can T Stop Checking Scrolling Clicking And

Watching that it choked off large-scale immigration for decades, sharply curtailing arrivals from southern and eastern Europe and outright banning those from nearly all of Asia. In a riveting narrative filled with a fascinating cast of characters, from the indefatigable congressman Emanuel Celler and senator Herbert Lehman to the bull-headed Nevada senator Pat McCarran, Jia Lynn Yang recounts how lawmakers, activists, and presidents from Truman through LBJ worked relentlessly to abolish the 1924 law. Through a world war, a refugee crisis after the Holocaust, and a McCarthyist fever, a coalition of lawmakers and activists descended from Jewish, Irish, and Japanese immigrants fought to establish a new principle of equality in the American immigration system. Their crowning achievement, the 1965 Immigration and Nationality Act, proved to be one of the most transformative laws in the

Access Free Irresistible Why We Can T Stop Checking Scrolling Clicking And

Watching country's history, opening the door to nonwhite migration at levels never seen before—and changing America in ways that those who debated it could hardly have imagined. Framed movingly by her own family's story of immigration to America, Yang's *One Mighty and Irresistible Tide* is a deeply researched and illuminating work of history, one that shows how Americans have strived and struggled to live up to the ideal of a home for the “huddled masses,” as promised in Emma Lazarus's famous poem.

"I love everything that Scott Sauls writes." -- Christine Caine
What if Christians became the best advertisement for Jesus? Jesus said his followers would be a light to the world and a city on a hill--a warmly inviting, neighbor-loving, grace- and truth-filled destination for all. He envisioned his followers as life-giving neighbors, bosses,

Access Free Irresistible Why We Can T Stop Checking Scrolling Clicking And

Working, and friends, the kind of people who return insults with kindness and persecution with prayers. Rooted in biblical convictions, they would extend love, empathy, and care to one another as well as to those who don't share their beliefs. Over time their movement would become irresistible to every nation, tribe, and tongue. Irresistible Faith is a blueprint for pursuing this vision in our current moment, of redeemed individuals and a renewed community working for a restored world. This is a way of being that gives a tired, cynical world good reason to pause and reconsider Christianity--and to start wishing it was true. "I miss the kind of church Scott describes in this book, and I don't think I am alone." -- Donald Miller, author of Blue Like Jazz and Building a StoryBrand "An important call to resist the urge to lobby and position ourselves, but rather to be driven by gospel-powered love." -- Raechel Myers,

A collection of science experiments and activities, arranged in such categories as "Physical Attractions, " "Curious Chemistry, " and "Freaky Fluids."

It all starts as pretend... My best friend, and one of the most powerful men in New York, needs my help. Our first kiss is unexpected—but it still makes my skin sizzle, my knees go weak. The next one is in front of his tight-knit family. We have to be convincing. But it's so wicked hot, it almost fools me too. On our first night together, he tells me that I have to keep us both in check,

level is my passion. When my sister's marriage implodes, I head back to New York, to be there for her and my niece. These are my only two priorities: growing the business and taking care of my family. My new neighbor is a temptation I hadn't counted on. Skye Winchester is bold, sensual and I just can't keep my distance. I'm determined to make her mine. But once I've touched her, I want more. I want to worship her all night long. As a business owner herself, Skye's got enough on her plate. I was expecting her to run in the opposite direction when she realizes how complicated my life is. Instead, she does the opposite: making my sister laugh, charming my niece... She completely wins me over. Neither of us expected our attraction to grow until it obscures everything but each other. And neither of us can afford to allow that. But how can we stop now?
