In Billy's Midnight Express book, he does not suffer the mental hardship and physical abuse as shown in the movie. In contrast, the book talks more about the filthy conditions at the prison, not Billy's decaying health, nor any issues with the people of Turkey.

Midnight Express (1978) - IMDb

Midnight Express is a 1978 prison neo noir drama film directed by Alan Parker, produced by David Puttnam and written by Oliver Stone, based on Billy Hayes ' 1977 non-fiction book Midnight Express. It stars Brad Davis, Irene Miracle, Bo Hopkins, Paolo Bonacelli, Paul L. Smith, Randy Quaid, Norbert Weisser, Peter Jeffrey and John Hurt.

Midnight Express (film) - Wikipedia

Midnight Express,Â follows the true story of Billy Hays, an American who was caught smuggling in Turkey. I believe that I should've felt more emotion during this movie, because it truly gives a...

Midnight Express (1978) - Rotten Tomatoes

Midnight Express is based on the true and vivid story of Billy Hayes, a young American sentenced in Turkey to 30 years of prison for a minor drug offence. He endures physical and emotional beatings which become a daily routine - until he realizes that unless he escapes... he will die!

"Midnight express" is a commonly used phrase amongst many of us who've lived in the remote parts of Turkey. Even now it's a sort of watch word for remembering to toe the line and avoid situations which might lead to incarceration. Billy Hayes' story has infiltrated its way into popular culture.

Midnight Express by Billy Hayes - Goodreads

"Midnight Express" has a very adult theme and some scenes are shocking to watch, with the nasty prison guard taking out horrific acts of violence on the convicted. It's a strong prison drama, intelligently made. If you like films like "The Shawshank Redemption" about escaping from prisons, then you are sure to like this. This is a true story though, so the main bulk of events actually took ...

Two years later came 'Midnight Express,' based on his book, starring Brad Davis as a narcissistic, self-centered Hayes, and translating the story into a passion play of violence, sexuality, morality and indignation.

Midnight Express movie review (1978) | Roger Ebert

In Hayes' words: "The message of 'Midnight Express' isn't 'Don't go to Turkey. It's 'Don't be an idiot like I was, and try to smuggle drugs.'" (July 2, 2007) 105 of 114 found this interesting

Midnight Express (1978) - Trivia - IMDb

Alan Parker, the director of "Midnight Express", passed away on July 31. His 1978 film was said to have caused great harm to Turkey's image, when apparently everything else had been going perfectly well for the country. All 14 films the 76-year-old Londoner directed were unique.

MIDNIGHT EXPRESS | British Board of Film Classification

The Midnight Express were known for making towns from COAST to COAST, tearing down the house and wrestling the best of the best every night, then hitting the road to hit the next town! For Griff/Scorsese, we wanted to give you the ULTIMATE experience worthy of the Midnight Express, and the Making Towns Bundle is the EPITOME of that experience!

Midnight Express tells the gut-wrenching true story of a young man's incarceration and escape from a Turkish prison. A classic story of survival and human endurance, told with humor, honesty, and heart, it became a worldwide best-seller and the Academy Award-winning blockbuster film of the same name. In 1970 Billy Hayes was an English major who left college in search of adventures to write about, like his hero Jack London. He had a rude awakening when he was arrested at the airport in Istanbul trying to board a plane while carrying four pounds of hashish, and given a life sentence. After five brutal years, relentless efforts by his family to gain his release, and endless escape plotting, Hayes finally took matters into his own hands. On a dark night, in a wailing storm he began a desperate and daring escape to freedom... This is the astounding journey, told in Billy Hayes's own words, of those five years of living hell and of the harrowing ordeal of his time on the run.

Kate stared at the rickety wooden bridge. There were boards loose on its narrow walkway. There was no railing to hold on to. She was afraid to cross this bridge even in daylight. But she had to cross it now. She had to get to the train station in time to stop the midnight express. When a heavy storm destroyed the bridge over Honey Creek, near Kate Shelley's home in Moingona, Iowa, fifteen-year-old Kate bravely rushed out into the storm, saving the lives of two men and preventing hundreds of other lives from being lost. This is the true story of a young girl's resourcefulness and courage in the face of great danger.

An intimate memoir by the controversial, Oscar-winning director and screenwriter Oliver Stone Before moving to Los Angeles and the international success of Platoon in 1986, Oliver Stone had been wounded as an infantryman in Vietnam, and spent years writing unproduced scripts while working odd jobs in Manhattan. Stone, now 73, recounts those formative years with in-the-moment details of the highs and lows: meetings with Al Pacino over Stone's early scripts; the harrowing demon of cocaine addiction; the failure of his first feature; his risky on-the-ground research of Miami drug cartels for Scarface; and much more. Chasing the Light is a true insider's guide to Hollywood's razor-edged years of upheaval in the 1970s and '80s with untold stories of decade-defining films from the man behind the camera.

Fifteen-year-old Kate risks her life in a storm to prevent a train disaster.

Billy Hayes (Brad Davis) is a young American caught by Turkish police while attempting to smuggle hash out of Istanbul. He's tried and sent to prison for four years, where he endures all manner of privation and abuse. As he finishes up his time, he's shocked to learn that the Turkish High Court has added a further 30 years to his sentence. He is now thoroughly demoralized, and his life in prison grows increasingly unbearable until he concludes that escape is his only option.

Chronicles Davis' triumph over drug addiction, his discovery that he was HIV-positive, and the struggle to hide his condition from Hollywood
