TWELFTH EDITION PRACTICAL RESEARCH

Practical Research is one
of the subjects in senior
high school which aims

Download Free Practical

to develop the student's critical thinking and problem solving skills. Research output of students is either quantitative or qualitative. As a culminating activity in research, students need to present their research output through oral defense.

Research Outputs of

1 What Is Research?.

Research is a very confusing term. As commonly used, it has so many meanings that we must understand precisely what we mean when we use it in its scholarly sense. We shall discuss in this book what is commonly referred to as basic or pure research.

Download Free Practical

Much that is said about basic research will also be applicable to the many pragmatic varieties of research activity: applied
