## ~~Reinventing Project Management: The Diamond Approach To ...~~

Reinventing Project Management is a highly technical guide to Project management in a large organization. The scope of the book assumes that projects can be parsed to fine degree and that the organization would be able to organize within the resulting focus. My experience is that this kind of analysis exceeds the tolerances of most ...

## RPM

The kind of innovation embodied in the project will change the shape of the diamond and indicate the style of management the project needs. The audience for successful innovative items changes over the product's lifecycle. Innovators are the first to buy a revolutionary product and early adopters are the next.
