Splitting Up - A Child's Guide to a Grown Up Problem

A survival guide to sorting out arrangements for your children. This guide is for parents who do not live together and want to make arrangements for their children without having to go to court. It will help if you have just split up with your children's other parent and are having to make arrangements for the first time, or if you have been parenting apart for years but now need to come up with a new plan.

A survival guide to sorting out arrangements for you -

A new book giving an insight into the impact of family separation from a child's perspective has been released this week. Splitting Up | A Child's Guide to a Grown Up Problem is a joint project by London-based law firm Mishcon de Reya and children's mental health charity Place2Be. The book is comprised of six chapters:

Splitting up - a child's guide to a grown up problem -

Supporting your child through your separation. Every child reacts in their own way when their parents separate. Whatever their response when family life changes, support is out there. You may worry about the negative impacts of a separation on your child and think it would be better to hide it from them. However, in some cases, talking to your child can help them to adjust.

Support for your child - Gingerbread

Every child and young person's experience with the loss of their known family unit will be unique, but it can sometimes cause intense emotional distress. In the immediacy of a break up, children's early response can involve a number of defense behaviours, including: denial, disbelief, dissociation, hyperactivity, irritability and protest, alarm and panic.

Supporting Your Child During Divorce or Separation

When you split up, you will probably have different ideas about how best to parent your child. However, it is good to try and stay consistent. Set similar rules and guidelines so your son or daughter doesn't go between two radically different environments. For examples rules on chores, bedtime, school work and what they can and can't do.

9 tips on how to co-parent after splitting up

Disagreeing about splitting up . Separation checklists. Separation is a time of big change and many decisions must be made. It can help if decisions are taken calmly. Drawing up checklists can be a good way to organise yourself at this busy and emotionally difficult time.

Thinking about splitting up | Relate

If an unmarried couple split up, the mother will automatically have the right to look after her child, and the father could not challenge her unless they have entered into a Parental Responsibility Agreement or he has a court order in his favour.
