Were that not so, Edward Gibbon's classic six-volume work, The History of the Decline and Fall of the Roman Empire, would never have gained the fame it did in the eighteenth and nineteenth centuries.

The history of the decline and fall of the American empire ...

A timely treatise on the decline - or, rather, the subversion - of Western art. From valueless relativism, to low-brow agitprop, to glorified money-laundering schemes, Beard's work lays bare the crimes perpetrated against the long tradition of European art, and, crucially, why form, beauty, and aesthetics are of such inestimable importance to ...

Decline and Fall is a novel by the English author Evelyn Waugh, first published in 1928. It was Waugh's first published novel; an earlier attempt, titled The Temple that Thatch, was destroyed by Waugh while still in manuscript form. Decline and Fall is based, in part, on Waugh's schooldays at Lancing College, undergraduate years at Hertford College, Oxford, and his experience as a teacher at Arnold House in north Wales.

Decline and Fall - Wikipedia

In this sense, David Carlin's "Decline and Fall" is a good resource for those who are committed to the ongoing renewal of the Catholic Church in the USA and elsewhere.

Decline and Fall of the Catholic Church in America: Carlin ...

The History of the Decline and Fall of the Roman Empire is a six-volume work by the English historian Edward Gibbon. It traces Western civilization from the height of the Roman Empire to the fall of Byzantium. Volume I was published in 1776 and went through six printings. Volumes II and III were published in 1781; volumes IV, V, and VI in 1788–1789. The six volumes cover the history, from 98 to 1590, of the Roman Empire, the history of early Christianity and then of the Roman State Church ...

The Decline and Fall of the American Empire \ The Nation

The Decline and Fall The first quarto volume of his history, published on February 17, 1776, immediately scored a success that was resounding, if somewhat scandalous because of the last two chapters in which he dealt with great irony with the rise of Christianity. Reactions to Gibbon’s treatment of Christianity have displayed various phases.

Edward Gibbon - The Decline and Fall \ Britannica

We cannot quite make out the titles, they could be anything from D. H. Lawrence's Lady Chatterley's Lover to Gibbon's Decline and Fall of the Roman Empire.

Decline and Fall \ Roger M. Kaye \ The Blogs

The Decline and Fall is known for the quality and irony of its prose, its use of primary sources, and its open criticism of organised religion. Gibbon returned to England Edward Gibbon (8 May 1737 – 16 January 1794) was an English historian and Member of Parliament.

Spanning thirteen centuries from the age of Trajan to the taking of Constantinople by the Turks, DECLINE & FALL is one of the greatest narratives in European Literature. David Womersley's masterly selection and bridging commentary enables the readerto acquire a general sense of the progress and argument of the whole work and displays the full variety of Gibbon's achievement.

Edited, abridged, and with a critical Foreword by Hans-Friedrich Mueller Introduction by Daniel J. Boorstin Illustrations by Giovanni Battista Piranesi Edward Gibbon's masterpiece, which narrates the history of the Roman Empire from the second century A.D. to its collapse in the west in the fifth century and in the east in the fifteenth century, is widely considered the greatest work of history ever written. This abridgment retains the full scope of the original, but in a breadth comparable to a novel. Casual readers now have access to the full sweep of Gibbon's narrative, while instructors and students have a volume that can be read in a single term. This unique edition emphasizes elements ignored in all other abridgments—in particular the role of religion in the empire and the rise of Islam.

Recounts the events that led to the fall of the Roman Empire, from the second century A.D. to the fifteenth century A.D.

Originally published: New York: Holt, 1950.

J. B. Bury's authoritative seven-volume edition (1896-1900) of Edward Gibbon's magisterial account of the relationship between Roman imperialism and Christianity.

Gibbon offers an explanation for why the Roman Empire fell, a task made difficult by a lack of comprehensive written sources, though he was not the only historian to tackle the subject. Most of his ideas are directly taken from what few relevant records were available: those of the Roman moralists of the 4th and 5th centuries.

Published between 1776 and 1788, this text is acknowledged as a masterpiece of English historical writing. Covering the history of Europe from the 2nd-century AD, to the fall of Constantinople in 1453, this edition includes footnotes, explanatory comments, and a precis of the chapters not included.

"I set out upon Gibbon's Decline and Fall of the Roman Empire [and] was immediately dominated by both the story and the style," recalled Winston Churchill. "I devoured Gibbon. I rode triumphantly through it from end to end and enjoyed it all...I was not even estranged by his naughty footnotes." In the two centuries since its completion, Gibbon's magnum opus—which encompasses some thirteen hundred years as it swings across Europe, North Africa, and Asia—has refused to go the way of many "classics" and grow musty on the shelves. "Gibbon is a landmark and a signpost—a landmark of human achievement: and a signpost because the social convulsions of the Roman Empire as described by him sometimes prefigure and indicate convulsions which shake the whole world today," wrote E.M. Forster. Never far below the surface of the magnificent narrative lies the author's wit and sweeping irony, exemplified by Gibbon's famous definition of history as "little more than the register of the crimes, follies and misfortunes of mankind." The third volume contains chapters forty-nine through seventy-one of The Decline and Fall of the Roman Empire.
