The Doppelganger  
Haunting - wraith or  
ghost?

The doppelganger is  
believed to be the  
shadow or ghost-like  
self of a living person.

The phenomena is  
very old and comes  
from the German  
language meaning  
'double walker' or

'double goer' . The word itself is not that old but the phenomena of doppelgangers goes back into the distant past, within the mythologies of a number of cultures.
