The Mystic Eye. This is a book for the thirsty. And emphatically not a book for the faint hearted. In a series of far-reaching exploratory conversations, Sadhguru a living master and mystic of our times touches on every conceivable question that seeker might nurse about the realm of the mystical. Questions about enlightenment, liberation, death, God and the afterlife. Also those niggling but ostensibly trifling questions that so many wonder

about, but are hesitant to ask about spirits, disembodied ...

Mystic Eyes usually work like Single Action spells and are activated through the use of magical energy. The proof of a first-class magus since it grants great power while being easy to conceal. Fujino Asagami is a special case since her Mystic Eyes were the result of her family's psychic ability evolving to a point that it is in par with Magecraft. Still, this raises the possibility that other Mystic Eyes are also just a powerful type of psychic ability.
