Eric Carle's classic story of the life cycle of a flower is told through the adventures of a tiny seed. Everyone will cheer for the seed's progress as it floats across the sky, nestles in the ground, and finally grows into the giant flower it was always meant to be. This classic story is now available in a book and CD package!

Product description When the tiny seed is blown away from its parent plant, it travels a very long way. Finally it lands on fertile earth, and the tiny seed grows and grows and grows – becoming the tallest, biggest flower for miles around! Then one day the wind blows and thousands of new tiny seeds begin a journey of their own...

~~The Tiny Seed – Scholastic Shop~~

The story starts when flower pods burst and send out their seeds on the wind. Not all of the seeds survive the journey, but the tiny seed lands in good soil and begin to grow. The tiny seed grows a lot slower than everyone else, but eventually transforms into an enormous plant with beautiful flowers.
