Ruling Class? By BERND HAMM:

This study attempts to find out in which direction global power distribution is shifting and whether or not we are justified to use “social class” and “class struggle” as explanatory concepts to understand the structure of our globalizing society.

Special Report: Towards a Global Ruling Class?

This gives it an objective class existence and identity spatially and politically in the global system above any local territories and polities. The TCC became politicized from the 1970s into the 1990s and has pursued a class project of capitalist globalization institutionalized in an emergent trans-national state
