furniture. Many of the local bed and breakfasts have furnished their guest rooms with Hersberger's furniture and accessories.

Hersberger's also know how to keep their customers happy, and will go to great lengths to find a signature piece or specific item for one of their patrons.

The antique mall is busy all year round, aside from the days when the road conditions are poor. And is especially appealing in the summer months, when all of the flowers in the area are in bloom, filling the area around the mall with bright colors.

There are always quality pieces at Hersberger's Antique Mall, just waiting to be found and treasured by you!
